Instructions to Reviewers:
All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.
Note for Completion of Review:
Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181 (a) (1) (A) requires that an applicant for a patent must file a declaration with the application stating whether or not the invention is known or used by others in this country prior to the date of filing the application. If the applicant is not aware of any such knowledge or use, the applicant must so state. If the applicant is aware of such knowledge or use, the applicant must state the date and source of such knowledge or use. This declaration is a part of the application and is subject to the same provisions as the application itself. The declaration is not a separate document and is not to be filed separately. The declaration is to be filed with the application and is to be made a part of the application file.
